## A Woman's Complexion.

It is rank foolishness to attempt to remove sallowness or greasiness of the skin by the use of cosmetics, or "local treatment, as advocated by the "beauty doctors." The only safe and sure way that a woman can improve her complexion is by purifying and enriching the blood, which can only be accomplished by keeping the liver healthy and active. The liver is the seat of disease and blood pollution. Green's August Flower acts directly on the liver, cleanses and enriches the blood, purifies the complexion. It also cures constipation, biliousness, nervousness, and induces refreshing sleep. A single bottle of August Flower has been known to cure the most pronounced and distressing cases of indigestion. New trial size bottle, 25 cents; regular size, 75 cents. At all druggists.

## German Syrup.

We want to impress on our readers that Goschee's German Syrup is positively the only preparation on the market to-day that does relieve and cure consumption. It contains the specific, such as pure tar, extracts of gums, etc., which have been so highly endorsed for the cure of coughs, colds and consumption by the great medical congresses. The consumptive, whether his disease is in the throat or lungs, must have rest at night, and to be free from the spasm of dry and hacking cough in the morning. The diseased parts want rest, healing and soothing treatment, and the patient needs fresh air, good food, etc. German Syrup will give free and easy expectoration in the morning with speedy and permanent relief. ## Thousands Have Kidney Trouble and Don't Know It.

### How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also

convincing proof that the kidneys and bladder are out of order.

### What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail.

Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
